1x13=				3x13=				5x13=				7x13=				9x13=				11x13=				13x13=			

INSTRUCTIONS: Put a star or check in the box next to the equation you know. If you don't know an equation write down the answer by the formula.This will remind you that you need to practice this one more. You can highlight the equations that you need extra practice with.There's room for up to three stars/check marks to make sure you still remember your fact another day.

HAVE FUN!
